Marcel Dekker was a journal and encyclopedia publishing company with editorial boards found in New York, New York.Dekker encyclopedias are now published by CRC Press, part of the Taylor and Francis publishing group.. History. Initially a textbook publisher, the company added journal publishing in the 1970s, and encyclopedia publishing in the early 1980s.

### Marcel Dekker - Wikipedia

Cost overrun is common in public and private sector projects. Costs tend to grow, plans fail and financial problems follow, but how can we approve the right projects if we cannot estimate their true cost? This book, for academics in project management, management accounting and corporate finance, as well as for managers in the public and ...
