The Canadian Journal of Linguistics aims to publish critical analyses of books published in the last two years in order to promote these books, and their contribution to the field, to the linguistic community. To accomplish this goal, we expect that each review will go beyond a summary of the content of the book and will focus on one of the areas in the following paragraphs. (Alternate foci may be permitted upon discussion with the Book Review Editor.)

Book Review Guidelines - Cambridge Core
Guidelines for Book Reviews RHE publishes book reviews of original research, summaries of research, or scholarly thinking in book form. We do not publish reviews of books or media that would be described as expert opinion or advice for practitioners. The journal publishes reviews of current books, meaning books published no more than 12 months prior to submission to the
