Breaking You is the second book in the Blackthorn Elite series by authors J.L. Beck & Cassandra Hallman. Told in dual POV, the book tells the story of Warren and Harper. If you are a fan of bully romance, this book is perfect for you. I, personally, wouldn't put it in the "dark" category, because for me it wasn't dark at all.

Break you in. The break someone in is the sort of statement that only a slutty and predatorial female would say about what she wants to do to a usually younger guy because she thinks its fun and purely because of that. She doesn't care if he is ready but inadvertently it may make the guy either wizer sexually or more reckless, depending on how affectionate the process is.
