Bryston Sp User Guide - campaignbox.net

The Bryston SP3 sets a new high water mark for audio performance in a category dominated by inexpensive receivers that are obsolete after a few short years and never really performed that well to begin with. Theater enthusiasts who put sound quality first will love the SP3's pedigree.

SP3 - Bryston

Sometimes it's the simple things that make life sweeter. Take for instance the Bryston SP 1.7 pre-amp processor that I just received the other day. It is very simplistic yet it performs in an astounding manner. From the moment you take it out of the box until the time you turn it on for the very first time, simple, easy, and straightforward.
