machine is the perfect starting point for any child age 6 and up who is interested in learning to sew. The machines sew more slowly than regular machines, decreasing the chance for accidents. While the machine makes sewing simple, kids will still need supervision with threading and operating the machine.

#2) the wire in the needle threader broke after only four uses,  
#3) you have to hand stitch at the end of every finished line of stitching in order to knot the stitch, and  
#4) small, normal size spools of thread cannot be used ...
