business and technical objectives.

Metrics - Scaled Agile Framework

Design thinking also inspires new ways
to measure the success of our efforts:
Desirable - Do customers and users
want the solution? Feasible - Can we
deliver the right solution through a
combination of build, buy, partner, or
acquire endeavors/activities? Viable - Is
the way we build and offer the solution
creating more value than cost? For
example, in a for-profit enterprise, are
we profitable?
