### Revised Francois

Though this book was initially published in 1967 when Hitchcock was still active, Truffaut later prepared a revised edition that covered the final stages of his career. It's difficult to think of a more informative or entertaining introduction to Hitchcock's art, interests, and peculiar sense of humor.

As well as a full account of Hitchcock's life, and his films, we get to read quite a lot of Truffaut's beliefs, and are encouraged to see for ourselves the influence of one director on the other. If you have read Truffaut's own account of his life - well worth the read - you will know just how strong Hitchcock's influence
