Inventing the Feeble Mind: A History of Mental Retardation ...

Inventing the Feeble Mind: A History of Intellectual Disability in the United States. Half-wits, dunces, dullards, and idiots: though often teased and tormented, the feeble-minded were once a part of the community, cared for and protected by family and community members. But in the decade of the 1840s, a group of American physicians and reformers began to view mental retardation as a social problem requiring public intervention.
