Latin America After Neoliberalism: Developmental Regimes ...

Reviews. 'In the burgeoning literature on post-neoliberalism in Latin America, this book is sure to become a groundbreaking text. It develops a case for the significance of the new left that is both novel and convincing, seeing in it elements of continuity and change. Using the developmental regime as a theoretical framework, it offers for the first time a rationale that gives coherence to the actions of new left governments and helps explain the distinctive nature of the project being ...

Latin America After Neoliberalism - Developmental Regimes ...

Wylde analyzes Kirchnerismo in Argentina and the developmental regime approach in the political economy of development in Latin America. He shows the systematic way in which relationships between state-market, state-society, and national-international dichotomies can be characterised within a developmentalist paradigm.
