Money Moments Simple Steps to Financial Well-being. Whether it's affording the basics in life, feeling more in control of your money, or balancing today's spending needs with those in later life, many of us struggle to manage our finances as well as we would wish.

Money Moments — Jason Butler

4. Download a living will. "A living will is one of the few estate documents that makes sense for everyone," Blaylock says. Since it spells out your end-of-life medical wishes, a living will is designed to take the burden off loved ones from having to decide if you'd want expensive, life-sustaining treatments -- and can help keep conflict between family members at bay.

Step 1 - Find an audience to speak to. When you have identified a very targeted group of people who have a similar problem that they are actively seeking to resolve, you are on the right track.. Many say you need to pick a niche first, or pick a product to promote first, but I can tell you from experience (and a crazy amount of studying) that you need to find a targeted audience of people who ...
