Chemistry Francis

By Francis A. Carey
(University of Virginia)

and published by
McGraw Hill in 2000.

From its first edition through this, its fourth, Organic Chemistry has been designed to meet the needs of the “mainstream,” two-semester, undergraduate organic chemistry course.

Chemistry Francis

As an OChem undergrad, you maybe tempted by the name Francis A. Carey, and that too at such a low price; but let me tell you: this book does not even have half the content of the actual Advanced Organic Chemistry by Carey. This is fit for a +2 course, and especially for those who want to take up OChem later in their life.
