Great Deception: The Secret History of the European Union ...

The Great Deception tells for the first time the inside story of the most audacious political project of modern times: the plan to unite Europe under a single 'supranational' government. From the 1920s, when the blueprint for the European Union was first conceived by a British civil servant, this meticulously documented account takes the story right up to the moves to give Europe a political constitution, already planned 60 years ago to be the 'crowning dream' of the whole project.

The Great Deception: The Secret History of the European ...

About The Great Deception Now published with a new preface explaining why The Great Deception is of the utmost importance today as it was when it was first published and to coincide with Great Britain's EU referendum in 2016, this book suggests that the United States of Europe and its edict of 'ever closer union' have been based on a colossal confidence trick.
