The Wasp Factory

The Wasp Factory is the first novel by Scottish writer Iain Banks, published in 1984. Before the publication of The Wasp Factory, Banks had written several science fiction novels that had not been accepted for publication. Banks decided to try a more mainstream novel in the hopes that it would be more readily accepted, and wrote about a psychopathic teenager living on a remote Scottish island.

The Wasp Factory - Wikipedia

The Wasp has been a fantastic product to design and test, it is a fresh and exciting way of being driven by the elements!
