### World History Of Photography Naomi

Naomi Rosenblum's classic text investigates all aspects of photography — aesthetic, documentary, commercial, and technical — while placing photos in their historical context. Included among the more than 800 photographs by men and women are both little-known and celebrated masterpieces, arranged in stimulating juxtapositions that illuminate their visual power.

### A World History of Photography: Rosenblum, Naomi ...

This is a great book on the history of photography. There is lots of photographs and the styles and the evolution from a documentary tool to Art form. The best part of the book is the guide to the cameras and technology that goes along with the evolution of photography which all too often gets forgotten because people only think about the pictures and not the machine that is the camera.
