Ussher's Annals of the World is a blow-by-blow chronological summary of the documents recording the history of the world from creation to 50AD. The interesting thing about this is that there are not that many documents.

Annals of the World by James Ussher - Goodreads

About the Author. Highly educated and well-traveled, Archbishop James Ussher set out in 1650 on what would be a five-year task to write a history of the world. Ussher left his native Ireland and traveled Europe, seeking historical documents and other writings to aid in his research. Many of the source texts used by him have been destroyed through the centuries, while Ussher's book still contains events otherwise lost forever.
