It's trendy to talk about how mega-universities-- high-enrollment institutions with a national footprint, typically online -- are the future of higher education. But assuming that many or most students will choose to enroll in an institution across the country or even in the next state ignores the reality that increasing numbers of online students choose to study close to home.

Annual survey shows online college students increasingly

Functional behavioral assessment (FBA) is a part of the positive behavioral support (PBS) mandated by IDEA 2004. Good classroom management and structured classroom discipline stop most disruptive behavior, but some students will continue to disrupt. These students need more help so that they can stay in class and succeed.
