Hi there! I am wondering if there is a way I could attach an item to the end of the saber (not motion tracking). In my instance, I am attaching a small orb to the front end of a saber effect; the effect uses the offsets to create a "light beam" along OTHER saber masks...think Tron objects, and then sometimes "overcharges" pulse along the glowing lines of the object).

“And damn the thing I ever got out of it,” said Corley. “Ditto here,” said Lenehan. “Only off of one of them,” said Corley. He moistened his upper lip by running his tongue along it. The recollection brightened his eyes. He too gazed at the pale disc of the moon, now nearly veiled, and seemed to meditate.

How much are commission rates for real estate agents in Canada? Commissions paid to real estate agents in Canada typically range between 3% to 7% of the final purchase price, depending on region and the agent used.. So, for example, commissions on a home that sells for about \$500,000 — the average price in Canada — would total \$15,000 to \$35,000.

Taking a deep breath, I walked into the store, trying to get my bearings and control my beating heart and lust. Composing myself, i moved slowly around, looking, not at the shoes, but at the men working there, trying to figure out which to seduce and how to get their attention. In the back, by the counter, two men were talking.

Dress shoes have varying heel heights, and it's often challenging to find the right balance between too high and just right. When in doubt, choose a 1-inch heel. Shoes with an overly-high heel will detract from their dressy appearance. Some dress shoes come without a heel, but those work best in casual situations. 5. The sole

So why are red shoes a big deal? Because it is a Satanic symbol of child/human sacrifice. During the sacrificial rituals, the Satanists wear red shoes (claimed to be made of human leather) so when blood gets on the shoes, it does not show. I'm not saying that all the celebrities that are wearing red shoes are part of this Satanic club.
