EDISON'S EVE by Gaby Wood | Kirkus Reviews

The complete review's Review: . Living Dolls in the UK, Edison's Eve in the US. Don't even get us started Living Dolls is an odd book. It bills itself as "A Magical History of the Quest for Mechanical Life", though the magical aspect of this history remains largely unclear. It appears to be a book mainly about automata -- indeed, different efforts at achieving some sort of artificial life ...
