I am changing my D110's filter since it reached 50 hours. This filter is manufactured and recommended by John Deere but most noticeable thing is the quality of this new filter. The old one (shipped with mower) feels and looks better in quality compare to this new one that looks cheap and feels cheap.

I have a John Deere G100 garden tractor that I purchased new in 2005 for almost \$5,000. I had John Deere replace the K66 transaxle on it for over \$2,000. It went out on me 2 more times since then. I have rebuilt it myself the last 2 times by ordering the parts online from Tuff Torq in Tennessee. Great customer service and advice.

I purchased a John Deere LT 172 Tractor from my local John Deere dealership in 1991, I am still using this machine in 2009. From 1991-1995, I operated a lawn maintenance company while in high school. Aside from my business, I was required to mow 6 acres every week as my principal chore at home, the LX-172 was my tractor.
