See all the models available for your car. 1 The GTS has several unique features which make it a particularly desirable model in the Mini range, although awareness of this model in markets outside of South Africa remains limited. 1968 Rover behoort tot British Leyland In 1967 werd Rover opgeslorpt door Leyland Motors, een truck en busbedrijf dat reeds in 1961 controle kreeg over Standard ...

British Leyland Models

The Mini is a small economy car produced by the English-based British Motor Corporation (BMC) and its successors from 1959 until 2000. The original is considered an icon of 1960s British popular culture. Its space-saving transverse engine and front-wheel drive layout – allowing 80% of the area of the car's floorpan to be used for passengers and luggage – influenced a generation of car makers.
