### Planned Giving For Small Nonprofits

An established planned giving program costs about .3 to .15 cents for every \$1 raised. Those who work in the planned giving field earn 150% to 200% more than those in the annual giving field.

Anyone can make a planned gift — it's not just for the wealthy. In fact, bequests are the main gift of the middle class.

### Smaller Nonprofits Can Easily Develop a Planned Giving Program

Unlike outright gifts, planned gifts often take time to materialize, and, once they occur, they must be administered for years. Planned Giving for Small Nonprofits shows directors and boards of small charities precisely how to promote planned giving within the framework of their available resources, step by step.
