Reparenting to Heal the Wounded Inner Child. Human children are born without any means to defend themselves or face the world. Children are totally dependent upon their parents for love, acceptance, and shelter. Sometimes parents fail to provide the emotional, psychological, and physical shelter required for healthy children.

Recognizing which part is activated and how it got triggered helps you care for them. Doing this exercise regularly acquaints you with the inner loving parent.

ACA Reparenting Check-In Worksheet

Reparenting is the act of giving yourself what you didn't receive as a child. My childhood was unique in that I had two (physically) present parents who were emotionally absent. My mom was a stay-at-home mom and my dad was home every day by 5:30 for dinner.
