Corruption in China post-1949 refers to the abuse of political power for private ends typically by members of the Chinese Communist Party (CCP), who hold the majority of power in the country. Corruption is a very significant problem in China, impacting all aspects of administration, law enforcement, healthcare and education. Since the Chinese economic reforms began, corruption has been ...

Corruption in China - Wikipedia

In many of Dylan Wiliam's talks and publications he references five 'key strategies' that support the implementation of effective formative assessment. The five strategies each get a chapter in his excellent book Embedding Formative Assessment (2011) which builds on the work he developed with other colleagues in the 90s and 00s. The five strategies were...

MACN - Maritime Anti-Corruption Network

A world with very low numbers of nuclear weapons, with very few of them physically deployed, with practically none of them on high-alert launch status, and with every nuclear-armed state visibly committed to never being the first to use them, would still be very far from perfect. But one that could achieve these objectives would be a very much safer world than we live in now.

Revisiting the Past Posted on April 23, 2021 by wlp22 Reading Riverdaughter's post about "The Lord of the Rings," and how Tolkien was inspired by Plato's story about the Ring of Gyges in his own tale about Sauron, brought me to a much earlier RD post, from 2012, which also used Gyges as a starting point for her theme.

Revisiting the Past | The Confluence

A Wright site is usually like a museum: visitors, herded by tour guides into the centres of rooms or balconies so as not to disturb anything, can't get too close to the furniture and decor. Even at Fallingwater—the spot that had motivated Mum's initial road trip—she had to keep her hands to herself. The outlier for us was Polymath Park, a sort of Disneyland for Frank Lloyd Wright fans ...

The House That Mum Built | The Walrus
