Thanatopsis, poem by William Cullen Bryant, published in the North American Review in 1817 and then revised for the author's Poems (1821). The poem, written when Bryant was 17, was his best-known work. In its musings on a magnificent, omnipresent Nature, "Thanatopsis," whose Greek title means "view of death," shows the influence of Deism, and it in turn influenced the ...

hile "The Raven" is a powerful poem, it reads more like a story and therefore seems less serious and effective than "Thanatopsis." In their uniqueness, each poem realizes the human condition in that we can and are affected by death in different ways. In short, every individual will handle death and the thoughts of death in his or her own way.
