The Anatomy Of Racial Inequality

Loury describes a cycle of tainted social information that has resulted in a self-replicating pattern of racial stereotypes that rationalize and sustain discrimination. His analysis shows how restrictions placed on black development by stereotypical and stigmatizing thinking deny a segment of the population the possibility of self-actualization.

The Anatomy of Racial Inequality — Glenn C. Loury ...

"In [The Anatomy of Racial Inequality] Loury makes a striking departure from the self-help themes of his earlier work, defending affirmative action and denouncing "colorblindness" as a euphemism for indifference to the fate of black Americans.

The Anatomy of Racial Inequality (The W. E. B. Du Bois ...

The Anatomy of Racial Inequality is the BEST book I have ever read about race. Dr. Loury presents his theories via a series of lectures very clearly by using a framework of political economy. He shifts the focus from the typical discourse about race, which usually falls in the framework of outward discrimin I read Glenn C. Loury's article about incarceration and race in the Utne Reader and was ...

The Anatomy of Racial Inequality by Glenn C. Loury

THE ANATOMY OF RACIAL INEQUALITY Glenn C. Loury Harvard University Press, 2002, xi + 226 pgs. Critics of Austrian economics often attack it as "armchair economics." Instead of testable hypotheses, Mises and his followers offer us truths about the world based on allegedly self-evident axioms.
