"Meeting the Beatles in India," a new documentary from a fellow traveler in 1968, blends Beatles anecdotes and gentle TM proselytism.

'Meeting the Beatles in India' Review: Fab Four Lore and ...

One of the first transitions in the Beatles' lyrics had a lot to do with their references to gender, particularly female. It was evident in the beginning of their career that they were fascinated with women in a teenage love, romanticized way but in 1965 when they hit their point of transition, their position on women changed drastically over time going along with society's changing perception of women.
