The Graves Are Walking: The Great Famine and the Saga of ...

The Graves Are Walking: The Great Famine and the Saga of the Irish People was a well researched and documented history of the Irish Potato Famine beginning in 1845 when a fungus-like organism spread rapidly throughout Ireland, and ran rampant over the next several years, causing suffering and death throughout Ireland. John Kelly documents all facets of this suffering from the accounts of the families that are impacted to the government entities that so dramatically failed these people.
