### **The Law Of Financial Institutions**

The Fourth Edition of The Law of Banking and Financial Institutions. brings exciting renovations to a classic casebook. Comprehensive updating is just the beginning. The authors have expanded the old structure to include more coverage of non-bank financial institutions, such as insurance companies and mutual funds.

### **The Law of Financial Institutions, Fifth Edition (Aspen ...**

Unfortunately, this book is the pretty much the only game in town for a law school class on financial institutions. It covers the theoretical subject matter well, but falls short as a practical guide. The book is also heavily tilted toward the national banking system. More information on state banks would be much appreciated.
