Decide what size you need the photos to be; then insert them side by side into a blank document. Click on the photo corner and make it the required size by dragging. (I suggest using a diagonal drag to retain proportions.)

DIY Photo Snow Globes | Make Something | Design Mom

Follow the natural hairline as closely as possible. Style the top: This is the same as styling a pompadour. Brush all the hair on top up and back and set the style in place with a little pomade. One of the big plusses of the undercut is it lets the top be the star of the show and emphasizes that style.

Learn How to Give Yourself a Men's Undercut

If you are a homeowner with some do-it-yourself carpentry know-how and a tight budget for kitchen renovation, you might want to consider a DIY kitchen cabinet project. There are lots of ways to update your kitchen, or even build one from scratch using your own skills and some out-of-the-box

thinking.

DIY Kitchen Cabinets: HGTV Pictures & Do-It-Yourself Ideas ...

If you don't already have a walkway in the side yard, create one by placing some paver stones or using a mold to pour your own paver stones in place. Arrange them in the form of a path (a curvy path is nice) to the back and/or front yard. You might also want to add a reading chair or two, and maybe a table so you can enjoy it.
